

Registration is Open for SUMMER CAMP 2024

The gray skies and chilly temps have many longing for the warmer days of summer. At N-Sid-Sen and Pilgrim Firs, we're not just longing, we're planning and prepping for Summer Camp 2024! The Managing Directors along with the Outdoor Ministries Committee (OMC) are busy recruiting staff, volunteers and campers. We are prepping promotional materials, configuring the registration program, and developing training plans.

Registration opened on Thursday, February 1 for all PNC summer camps. Families can register online at www.n-sid-sen.org and www.pilgrim-firs.org. New this year are two camps at Pilgrim Firs – You & Me Camp for young campers with a trusted adult and Kids Camp for younger campers on their own. Returning to N-Sid-Sen are camps for all ages.

Included in this month's packet are three resources to help you spread the word in your congregation and community. Check out the complete schedule of our upcoming **Adventures in Community** and then dive into two pieces designed specifically for our churches – **The Top 10 Things Churches Need to Know** and **Promote Your Camps**. They are packed with helpful information and creative ideas to get you started.

If you have questions, connect with Managing Directors, Mark Boyd and Rev Pam Peterson. They will be happy to answer your questions.
